## BARTOSZ RESZELSKI

Nationality: Polish, Australian

### PROFILE

Bart is a Senior Motion Graphic Designer and Animation Director. For over 10 years he has been working on a wide range of projects from building corporate identities through broadcast design, 2D and 3D animations, creating multichannel immersive presentations, storyboards and shooting boards. Bart spent 7 years in Australia and 3 years in UK mastering his motion graphic design skills. He is effective, reliable, friendly and enthusiastic about all the projects he works on and will always try to put fresh ideas into all his work. Experienced in a fast-paced TV production area, working to tight deadlines and under immense pressure.

### EMPLOYMENT HISTORY

#### **Freelance Motion Graphic Designer 12/2013 – Present (London, UK)**

Various motion graphic projects for TV stations (TVC, promos, in-house content graphic, bumpers, titles openers), agencies, and animation studios around London. Executive role – creative advice for production planning, as well as full direction, animation and design input.

#### Some of my current and previous clients:

- **Discovery Creative London** – production of, amongst others: Richard E. Grants' "Seven DeadlySins": TVC promo – Designer/Animator/Composer, "Midnightmares": TVC promo for Investigation Discovery Europe – Designer/Animator/Composer, "Armchair Detectives": TVC promo – Designer/Animator/Composer.
- **SKY TV** – content graphics: TVC, titles, bumpers for current production.
- **Amazon (Audible)** – production of, amongst others, "Six Degees Of Assassination" (starring Andrew Scott): TVC for Amazon/Audible – Live Action Direction/Post-production (Animation, Composition, Editing).
- **(Disney) Deluxe Broadcast Services**
- **OneTwoFour (GSK UK)**
- **The Storytellers**
- **DHP Studios**
- **Mother London**
- **M&C Saatchi**
- **Smoke & Mirrors / Carbon**

#### **Discovery Creative London: Motion Designer 2/2015 – 5/2015 (London, UK)**

Producing online promos, bumpers, titles for documentaries and TV series etc. (some work listed under credit list).

#### **SKY Creative: Motion Designer/Presentation Designer 3/2014 – 12/2014 (London, UK)**

Responsible for delivering bespoke animations, content graphic design and presentations for the company's internal and external use.

**Steam Motion and Sound London: Motion Designer**  
**3/2013 – 8/2013 (London, UK)**

Producing commercials, promos, trailers, titles for documentaries, branded and digital content for music and theatre.  
Managing projects from scratch up to delivery deadline

**Cutting Edge Post Sydney: Motion Designer**  
**8/2011 – 10/2012 (Sydney, Australia)**

Broadcast design for various TV Stations in Australia, as well as developing animation concepts and illustrations for TVC and online campaigns. Fully responsible role: working straight from the brief until the final creative content is developed.

**Merivale Group: Motion Graphic Designer, Video Artist – Performer**  
**6/2008 – 8/2011 (Sydney, Australia)**

Creating video animations and participating in the creative process of developing various marketing and promotional campaigns. Designing multimedia video installations and performing live as a video artist in various Merivale venues, amongst them Good Vibrations Festival, Australia's biggest music festival featuring local and international artists.

**Freelance Graphic Designer: VJ-resident and audiovisual producer**

**2003 – 2008 (Sydney, Australia / Warsaw, Poland / Paris, France)**

Executive level experience in graphic design, building of corporate identities, web design, creating interactive multimedia presentations, illustrations, storyboards, creating video clips, video spots and multistream VJ performances.

**D'Arcy Masius Benton & Bowles (DMB&B) Advertising Agency: Junior Art Director**  
**12/2001 – 11/2002 (Warsaw, Poland)**

Graphic design for digital advertising. Developing work concepts and conducting design processes from start to finish. Also worked on research, gathering and filtering of images, assisting with the visualization of ideas in 2D and 3D.
