Full time

ATV Ten Melbourne July 2003 – Jan 2012

Camera Unit -- *Eng cameraman/editor (Nov 2005 – Jan 2012)*

From November 2005 I worked in the camera unit as an ENG cameraman/editor and sound recordist for News, Sports Tonight, Totally Wild, Scope, Good Morning Australia, 9am, The Circle, The Project and other Ten productions as required.

- Operation of Sony HD XDCam, Betacam SX, HDV and Go Pro cameras and associated lighting and sound equipment for daily news gathering, live crosses and other production requirements.
- Working in a single or two---person crew environment to acquire, contribute and maintain broadcast quality pictures and sound.
- Editing and feeding of vision while on location using Store and Forward technology, Final Cut Pro and Sony tape to tape editing system, feed points or SNG.
- Filming from helicopters and fixed wing aircraft as required.

Editing Department -- *Videotape Editor (Nov---2004 – Nov 2005)*

My first full time role for Network TEN was in the editing department, which involved the editing of content for three daily News bulletins, Sports Tonight, Good Morning Australia and Beyond the Boundary.

Camera Unit – *Freelance sound recordist/camera assitant (July 2003 – Nov 2004)*

Averaging 3 days per week at TEN during this period working on News, Totally Wild, Good Morning Australia, Rove, Australian of the Year Documentary, Beyond the Boundary, Totally Footy, RPM and other Ten productions as required.

Working Hoilday London Nov 2000--- Feb 2002

Chilli TV -- *Camera Operator/Camera Assistant – Digi Betacam*

Chilli TV, part of the Sportsworld Media Group – producers of extreme sports and competition television programs.

Worked on the ASP world surfing tour travelling to Ireland, Portugal and France

Full time

1998 – 2000/Feb 2002---June 2003

Lemac Films (Sydney and Melbourne)

Lemac is a major film and video equipment rental house and production facility. During my time with Lemac I performed numerous duties including:

- Camera assistant to John Bowring, working on numerous productions including many network promotions for the three major commercial television stations Seven, Nine and Ten, shooting on 35mm/16mm film
- Management of rental department at head office in Melbourne 2002/2003
- Daily liaison with production staff and cinematographers, arranging bookings and offering equipment advice
- On call 24/7 providing a high level customer service
- Prep department, preparing and checking all outgoing and incoming rental equipment
- Performing basic maintenance of a large range of film and video equipment

Education

- March 2010 -- Red Camera Short Course -- AFTRS -- Melbourne
- 1998 Certificate II in Film and Television Productions Techniques
North Sydney Institute of TAFE
- 1994 Higher School Certificate, Australian International Independent School
North Ryde, Sydney

Technical Skills include

- Experienced DSLR camera operator
- Experienced ENG camera operator
- Experienced location sound recordist
- Experienced film/video camera assistant
- Experienced non-linear editor in a news environment
- Broad knowledge of video cameras in all formats and associated equipment
- CFA accredited
- Care flight HUET accredited (Helicopter underwater escape training)
- Murcotts Level 1 defensive driving completed

Attributes

- Ability to manage effectively and handle roles of responsibility while maintaining high work standards
- Loyal, reliable and industrious employee
- Experienced in working in team environments, able to maintain effective working relationships
