MORGAN DAVIES

Formally trained as an Audio Engineer in 1994, I began working as a freelance Location Sound Recordist in the Sydney television industry, mostly for the Nine Network, ABC TV and SBS TV.

1999- I became a full time ENG / EFP staff member at SBS TV Sydney as a Location Sound Recordist. During this time I was trained in camera and editing, and occasionally had the opportunity to shoot news and sport.

2006- I left SBS TV after 7 years of working on all SBS local productions to continue my freelance career in Sydney.

2009- I returned to Adelaide, after spending 16 years in Sydney, to freelance as a Location Sound Recordist.

Skills-

Location Sound Recordist
